Enlisted to Officer (E to O), candidates on temporary additional duty (TAD) orders, and all other officer candidates must have roundtrip tickets prior to their arrival at OCS with their return flights scheduled for departure after 1800 on graduation day. In the event an officer candidate is disenrolled, OCS will assist the officer candidate in coordinating return travel to the "Home" address listed on their reporting orders. OSOs/MOIs must ensure that the officer candidate's "Home" address is correctly listed on their reporting orders. OCS will not coordinate travel to any other location.

An initial commissioning physical will be considered invalid if there is a lapse in the completion of required annual certificates. (b) Active Duty and Selected Reserve Officer Candidates. Active duty and Selected Reserve officer candidates must possess completed and current (within one year) Periodic Health Assessments in addition to the forms listed on their application process.

(2) Immunization Records. Current immunization records are required. Medical restrictions prevent officer candidates from receiving more than five immunizations over a short period of time. Officer candidates that require dental services may be medically disqualified during in-processing or during the training cycle as there are limited dental services available. All dental surgeries must occur a minimum of 21 days prior to reporting to OCS.

(5) Eyeglasses. Officer candidates who wear glasses will bring a minimum of one pair of brown or black framed glasses with them for training. OCS Medical will not process faxed-in prescriptions. Officer candidates who have undergone any eye surgery must be at least 180 days post-operation prior to reporting to OCS. Documentation must state that the officer candidate is free of any post-surgical complications, demonstrates vision stability, and does not require use of ophthalmic medications or treatments.

(6) **Birth Control.** Officer candidates who are currently taking oral contraceptives must bring their medication with them during in-processing for documentation into their record. After medications have been reconciled, officer candidates will continue prescribed contraceptives as directed by providers. If an officer candidate is using an intra-uterine device (IUD) or implantable long-acting removable contraceptive (LARC), the IUD/LARC will have to remain in place for the duration of the training cycle. The IUD/LARC is required to be in place for at least two weeks prior to arrival at OCS.

(7) **Aviation Contracts.** Officer candidates who anticipate commissioning upon completion of OCS must have their aviation-related physicals and medical follow-ups completed prior to arriving at OCS. The Bradley Branch Health Clinic is not staffed with a flight surgeon or specialty providers to assist with the completion of flight physicals. All flight physical issues must be resolved prior to arriving at OCS and concerns must be addressed to the Head of Officer Programs, MCRC.

14. **Administration.** MCBQ Installation Personnel Administrative Center (IPAC), Student Personnel Section is responsible for all administrative matters pertaining to the pay and entitlements of officer candidates; **except NROTC.**

DATA REQUIRED BY THE PRIVACY ACT OF 1974

(5 U. S. C. 552A)

PART A GENERAL

The Marine Corps uses a variety of forms in administering matters related to the individual Marine. Forms are necessary for enlistment and reenlistment, evaluating performance, applying for training and assignments, granting leave, disciplinary action, administering pay, and other purposes. In some instances, these forms involve the collection of personal information from the individual Marine. Information such as home address and telephone number, names and other information on dependents, preference for duty, address on leave, and the individual's Social Security Number are illustrative of the information asked for on forms.

The Privacy Act of 1974 requires that you be informed of the authority, purposes, uses, and effects of not providing information when it is requested from you. In order to eliminate the need for issuing an individual statement each time information is requested from you about matters such as those described, this statement serves as a on-time Privacy Act Statement which is intended to satisfy the requirements of the Privacy Act when forms related to your personnel and pay records are used. If you desire more information about a specific form when it is used, your commanding officer will provide such information upon request.

Pursuant to the Computer Matching and Privacy Protection Act of 1988 (P.L. 100-503), information furnished may or will be subject to verification by computer matching (internally or with another specific agency). The match may be necessary to verify accuracy of data, and to uncover waste, fraud, or abuse in Federal Programs.

PART B - INFORMATION TO BE FURNISHED TO INDIVIDUAL

1. AUTHORITY

Title 5, U.S. Code, Section 301, is the basic authority for maintaining personnel and pay records. Use of Social Security Number as a means of personal identification is authorized by Executive Order 9397 of 23 November 1943.

2. PRINCIPAL PURPOSES

The basic purposes of personnel and pay records are to enable officials and employees of the Marine Corps to efficiently manage personnel resources; to administer pay and allowances; to screen and select individuals for promotion; to provide educational and training programs; to administer appeals, grievances, discipline, litigation, investigations, and adjudication of claims; to administer benefits and entitlements; and to manage retirement and veterans affairs programs. Further information about the purposes and uses of information being requested from can be obtained by consulting the applicable description for system such as the following:

SYSTEM DESCRIPTION	SYSTEM NUMBER
Marine Corps Military Personnel Records System	MMN 00006
Bond and Allotment System	MFD 00004
Joint Uniform Military Pay System/Manpower Management System	MFD 00003

3. ROUTINE USES

Information included in personnel and pay records is used by officials and employees of the Marine Corps in the execution of their official duties. The information is also used under certain conditions by officials and employees elsewhere in the Department of Defense; by other Federal agencies such as the General Accounting Office; Office of Personnel Management; Veterans Administration; the Federal Bureau of Investigation and other Federal, state, and local law enforcement authorities; and the General Services Administration. Information is also furnished to Congressional sources. Your Social Security Number is used as a means of personal identification.

4. MANDATORY OR VOLUNTARY DISCLOSURE AND EFFECT ON INDIVIDUAL OF NOT PROVIDING INFORMATION

Disclosure of information required on forms related to personnel and pay records is mandatory. An individual may, at his or her option, elect not to apply for benefits and services to which entitled (leave, registration of allotments, etc.) but once the individual has made the decision to apply for such benefits the disclosure of information on related forms becomes a mandatory action. Failure to provide requested information could have the effect of denying certain benefits and would hamper the efficient management of an individual's career while in the Marine Corps. Disclosure of your Social Security Number is mandatory.

One pair of running shoes is mandatory, but two pairs are strongly recommended (of the two, recommended one pair of trail running shoes). Minimalist running shoes that accommodate all toes in one compartment are authorized; however, finger-toe shoes that separate toes into compartments are not authorized.

b. Physical Training (PT) Gear. Officer candidates must bring one set of PT gear consisting of one plain gray crew neck tee shirt, appropriate length black shorts (non-spandex; inseam greater than 5"), and white ankle socks for use during in-processing. PT shorts will be worn during medical screening. The shirt and shorts must be free of writing or images. A small name brand is authorized.

c. Toiletries. Officer candidates will only bring enough basic overnight toiletry items (razors, shaving cream, soap, shampoo, deodorant, toothbrush, toothpaste, necessary hair products) to last the first week of training until they make their initial exchange visit.

d. Boots. Prior service members are not required to purchase ICB or jungle boots even if they do not currently own them. However, they will be required to bring two sets of issued boots (not steel toe) to train with at OCS. OCS will issue Marine Corps combat boots (cold weather and jungle) to all candidates who are not prior service or NROTC. All officer candidates may bring one pair of additional USMC regulation boots to OCS (for a total of three when included with the required/issued pairs). Officer candidates who wish to bring a third pair of boots are encouraged to purchase USMC regulation boots prior to arrival at OCS. Multiple pairs of boots allow candidates to have an inspection pair and a daily-use pair simultaneously. Officer candidates are encouraged to review paragraph 3012 of reference (a) for boot regulations.

Further guidance on boot fitting can be found on the OCS website.
